In order to obtain 2 **membership cards (or similar)** of OGAE International (the umbrella organization of more than 40 ESC fanclubs worldwide) 2 photos (300 dpi, 238x320 pixel) need to be sent in to EC Germany e. V. These membership cards are crucial for taking part in the distribution of tickets to the ESC (semifinals and grand final) via OGAE International. We agree that EC Germany passes our personal data (Name, e-mail address and picture) on to OGAE International in order to provide us with the membership card.

In case that one or two of us already hold a membership card via another OGAE club we hereby declare that in the future:

- Eurovision Club Germany e. V. shall be our „main club“ and we want to get our membership cards via EC Germany e. V.
- We don't want a membership card via EC Germany e. V. because we each already hold one via another OGAE club. In this case we can't get tickets via EC Germany e. V.
- We'll pay via bank collection (obligatory for all members with a German bank account)**
- We'll pay via money transfer (obligatory for all members without a German bank account)**
